3. **Change Transmittal** has replaced the term, Transmittal Letter. Change Transmittal was selected as being more appropriate in this age of electronic information transmission. The FAM volume's transmittal acronym and numerical series remains in place.
4. Changes are so extensive that they are not shown in italic dark magenta in this issuance. *Italic dark magenta* provides a historical record of changes and is used in subchapter issuances where less than 50 percent of the text has been revised.
5. Officers are reminded that Department-issued materials not codified in the Foreign Affairs Manual or its supplemental Foreign Affairs Handbook series generally have no regulatory validity (see 2 FAM 1115.2).
